SPARE PARTS

Available for all of our contract bed ranges.

The Alaska lift-up bed range is configured using 40 x 25 x 1.6mm furniture grade steel and tube perimeter frame. Supplied with safety radius corners to both the foot and lift up section and 62mm sprung birch slats, mean the beds remain light but durable. Suitable for cladding if required the beds are available in flat pack to maximise efficiency on delivery.

FEATURES

- ✓ Epoxy powder coated finish for lasting durability
- ✓ Integral Frame
- ✓ End or side lift up for extra storage
- ✓ No minimum order quantity
- ✓ 12 month's warranty

Legs

The Alaska range features a knock down frame. The bed can be shipped fully assembled or flat pack.

ORDER

We specialise in taking our clients ideas, which is why we also offer bespoke and custom colours. If you would like to discuss further or to place an order please contact our sales team.
