Description:

The Allerton is ideal for individuals looking for a little bit of extra storage space in their gardens and homes. This unit takes up little space while offering the same excellent security as the rest of our product range. Ideal for those smaller valuable items that you're wanting to protect from damage or theft.

These are also popular on caravan parks for siting outside caravans for external storage, available in 5 colours to match the exterior of the caravan.

An all-round convenient storage solution that keeps everything in one secure location. This unit comes with simple assembly instructions and a 10 year warranty.

Material & Design:

Built from heavy-duty galvanised steel panels with an integrated metal floor, the Allerton storage unit is completely weatherproof and wont rust. This unit has been designed with a lift-up lid which prevents water ingress, keeping gas bottles in great condition and protected from all weather conditions.
